

Letter to all Council Aug 24, 2026

Integrity of the election process is paramount to maintaining a democracy.

Considering Reeve Rainer's shocking reply (Below) that he endorses CAO Mabo's tampering in the 2018 election and intentionally altering the wording of the Municipal Elections Act, it must be assumed that Reeve Rainer speaks for all Council. The evidence is overwhelming with the production of the correspondence of CAO/Clerk Mabo.

Unless a motion is proposed to overrule Reeve Rainer's reply and suspend Clerk Amanda Mabo as TVT Clerk, with a recorded vote, all Council will be portrayed as supporting CAO/Clerk Amanda Mabo's unlawful act.

John Lang
