Dear John:

Thank you for your concern regarding the integrity of municipal elections in Tay Valley Township. The Township is confident that the CAO/Clerk properly handled the execution of the 2018 and 2022 municipal elections, drawing on her extensive election-related training and prior election experience, and on legal advice and guidance when required. We are further confident the CAO/Clerk will properly handle the 2026 municipal election.

Sincerely,

Rob Rainer
